Principal: Shawn Welch

Phone: 818-893-4750

Grade Span: 5-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Dubnoff School provides special education services to students, ages 11-22, in grades 6-12 who have emotional, learning, and developmental disabilities-including Asperger's Syndrome and high functioning Autism. The program combines individualized instruction with small group instruction. Dubnoff School works towards mastery of state standards to meet the educational needs and curriculum requirements of our students. An alternative, functional curriculum prepares students who are not on a diploma track for post high school by developing their social, basic academic, vocational and citizenship skills. The program utilizes a structured behavior management program that emphasizes positive reinforcement and accountability. The school offers individual counseling, language and speech and transition services by appropriately licensed/credentialed staff. Transportation is available for students who fall within routes provided by the school and based upon availability of seats on vans. Other transportation arrangements can be made. Dubnoff School actively pursues preparing students for mainstreaming back into public schools, occupational centers, community colleges and jobs in the community. Workability and Department of Rehabilitation programs are available for students who qualify.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Types of Services Funded (Fiscal Year 2019–2020)

Dubnoff School provides all students with education in a small class setting with a 4-1 student-teacher ratio. All students have a minimum of 60 minutes a week of counseling service with Licensed Marriage and Family Therapists in a pull-out/individual model. If a student requires additional services, such as language and speech or occupation therapy, a licensed provider is contracted to provide these services on campus.

For students over 16, Dubnoff offers a Workability I program which places students at a job site for up to three months. Additionally, funds from the Workability I grant are also used to assist students in purchasing clothes for work as well as sponsor seminars and job fairs.
